NATIONAL OFFICE
PROMOTIONAL CALENDAR
Mark your calendars!
As your chapters begin to cultivate and showcase local chapter culture in September, the National Office will focus on national promotion of current and future opportunities that align with membership benefits and value.

In October/November, the National Office will dedicate one week to each of the Quads, to highlight chapters in the area, and special events and programming.

Keep an eye out for our Instagram Takeovers each week from chapters and members!
Everything begins with an idea.

CELEBRATE MEMBERS

“Our members aren’t typical students... so let’s make them feel special.”

Try a members only social to kick off the month. Start your programming by celebrating those who are already on your side. Make it exclusive to let them know they’re special. It’ll prime your existing members to serve as extensions of your leadership and a sounding board for all the events you’ll be coordinating in the days to come.

Pro Tip: Members Only Back to School Bash. Throw a “Welcome Back” social for the general student body. And invite your AIAS members to a post-party gathering.
Provide something that isn’t typically available on campus. Devise some sort of way to create a special promotion for your members, but the event should be about the student body as a whole. Set up camp somewhere public where the whole campus will see you, like the front lobby of the building.

**Pro Tip:** *Used Book Sale.* Collect architecture professors and students’ used books and sell them to your student body. Get them to linger by providing free coffee and baked goods!
CHAPTER IDENTITY

“I am AIAS. You are AIAS. We are AIAS.”

Every body likes to belong. Whether it's a t-shirt, a key chain or a decal, people love to wear what they love. So give them something to be pride of. Set up and sell somewhere visible.

Most chapters have unique identities of their own. Get your membership involved in the manifestation of your local chapter culture by hosting a design contest. And then sell that swag!

**Pro Tip:** Use the resources you have access to!
If you’re a chapter with a laser cutter or CNC machine throw together a CAD file and make some key-chains. Low cost, high yield and really cool.
THE OPEN DOOR

“The AIAS is more than a club, and here’s why…”

A chapter meeting is the perfect place to share your story. Make this a formal gathering designed to invite, inform, and inspire all in attendance.

Invite everyone; members, potential members and faculty. This is your opportunity to tell the AIAS story. Make it invigorating and personal; people want to know you as much as the AIAS.

The strongest connections you can make are the personal ones.

Pro Tip: Don’t let them leave without registering. Set up computers or tablets with the membership form open for on site registration. Because everything after this event should be give members priority.
Provide your members with a unique educational experience. This could be a tech or analog design workshop or lecture. Whatever you choose to do, make it something otherwise unavailable.

Achieve exclusivity by charging a fee to nonmembers. Even something that may seem trivial, $5, goes a long way to show your members that they’re special.

Pro Tip: Faculty Participation.
This is an awesome opportunity to get your faculty involved. A lot of our professors have passions they don’t always get to share in class. So tap into that!
PROFESSIONAL DEVELOPMENT

“Students involved in the AIAS are better connected to the profession.”

Organize a member exclusive firm crawl or professional networking mixer. The average student never gets to see the inside of an architecture firm until they get that first internship. Get your members in with a local practice and begin to cultivate those relationships. Give priority to your paid members. And get your members out there and engaged with the profession!

Pro Tip: AIA and you. This is your opportunity to create or strengthen your relationship with your local AIA component. Reach out! The AIA always welcomes student engagement.
Open Architecture Collaborative, Habitat for Humanity, The AIA Foundation, or Freedom by Design are all amazing opportunities to make a difference through architecture. Invite everyone, the more people involved the better. Reach out to your local AIA newsletter or local newspaper and let them know what you’re doing. It’s important that the public knows the good that architecture does for our communities. And if it starts with you, even better.

**Pro Tip:** If you can’t organize an event then try a fun run or similar fundraiser and donate all/partial proceeds to a local nonprofit. Start garnering that community presence.
