WHO WE ARE

THE AMERICAN INSTITUTE OF ARCHITECTURE STUDENTS

The AIAS is an independent, nonprofit, student-run organization dedicated to providing unmatched progressive programs, information, and resources on issues critical to architecture and the experience of education. The mission of the AIAS is to promote excellence in architectural education, training, and practice; to foster an appreciation of architecture and related disciplines; to enrich communities in a spirit of collaboration; and to organize students and combine their efforts to advance the art and science of architecture.

MISSION: Advancing leadership, design, and service among architecture students.

WHAT WE DO

WE PROMOTE EXCELLENCE IN ARCHITECTURAL EDUCATION AND TRAINING

Architectural practice is constantly evolving. A large part of that evolution happens in schools. A pedagogy that promotes experimentation and exploration above all. AIAS members understand their role in the profession as leaders. Not the future of the profession but the now. Programs like Freedom by Design™, CRIT, and Grassroots empower students to own that role.

WE FOSTER AN APPRECIATION OF ARCHITECTURE, DESIGN, AND RELATED DISCIPLINES

Our annual gathering FORUM and regional Quad Conferences, provide students with the opportunity to learn about the issues facing our world, to meet students and professionals with common interests, and to interact with some of today's leading architects and designers.

WE ENRICH COMMUNITIES IN A SPIRIT OF COLLABORATION

Through the Freedom by Design™ program and other community outreach, we empower our members and students to be good citizens on their campuses and in their communities.

WE ORGANIZE AND COMBINE STUDENT EFFORTS TO ADVANCE THE ART AND POLICY OF ARCHITECTURE

We are the sole student voice in the collateral discussion and decision making process that include the American Institute of Architects (AIA), the Association of Collegiate Schools of Architecture (ACSA), the National Council of Architecture Registration Boards (NCARB), and the National Architectural Accrediting Board (NAAB).

WHERE WE DO IT

AIAS MEMBERSHIP SUPPORTS ARCHITECTURE STUDENTS in collegiate schools across the United States but has also expanded into international academic programs.
