## OVERVIEW

AIAS Newsletter tackles today's most relevant issues for students in architecture, gathered from leading industry publications.

Delivered to the inboxes of 16,400+ architecture students across America each week, AIAS Newsletter keeps these budding professionals informed about topics that impact their field of study. Subscribers are students focused on developing their skills as professional architects.

## CREDIBLE SOURCE

AIAS is the sole student voice in the collateral discussion and decision-making process that include The American Institute of Architects (AIA), The Association of Collegiate Schools of Architecture (ACSA), The National Council of Architectural Registration Boards (NCARB) and The National Architectural Accrediting Board (NAAB).

## SUBSCRIBER LIST

Subscribers to AIAS Newsletter are actively engaged with the association, either through membership or participation in its events, publications and research. Your ad will no longer be mixed with junk mail and spam. Our enhanced technology ensures that your ad will make it through spam filters.
