

# Snafoo

**Snafu:**  
**a confused or**  
**chaotic state**

**In our society of  
*obsolescence* what  
is the place of  
*permanent*  
architecture?**

**Architecture is lost  
between the flash  
of *starchitecture*  
and the *everyday*  
places we inhabit.**

**The word *design*  
has become  
confused with  
*popular fashion*.**

**Snafoo:**  
**an abnormality**

**Snafoos exist  
within the regularity  
of Chicago's grid.  
We will view them  
for their triumphs  
and their faliures.**

**These snafoos will  
act as our image of  
the past.**

**Our conversations  
and debate will  
sculpt the future.**
