

COLLEGIATE ASSOCIATES

WHY COLLEGIATE ASSOCIATES?

Build awareness for your graduate and other educational programs to thousands of architecture and design students with the AIAS Collegiate Associate Program, offering year-round promotional opportunities for your institution.

BENEFITS

FORUM Conference (Winter)

Every year, the AIAS gathers together to network, hear from our sponsors, learn from other leaders, discuss issues relevant to architecture and design education, and conduct official AIAS business including the election of the new Board of Directors! The conference annually brings 600 - 700 students together from around the world. Collegiate Associates can include promotional material in attendee bags, receive a complimentary table at our Career Expo, and their logos will be featured on conference signage and on sponsor slides.

Grassroots Conference (Summer)

For more than 30 years the AIAS has been preparing future leaders in architecture through our AIAS Grassroots Leadership Conference. Each year the conference brings together chapter leaders and emerging professionals seeking insight and preparation on how to make the most of their year ahead. This conference brings in approximately 250 student leaders from around the world. Collegiate Associates can include promotional material in attendee bags, receive a complimentary table at our Career Expo, and their logos will be featured on conference signage and on sponsor slides

Regional Quad Conferences

Our Regional Quad Conferences are our smaller seasonal conferences that happen annually. Collegiate Associates can include promotional material in attendee bags.

CRIT Journal (Winter and Summer Editions)

CRIT is the journal of the AIAS and the premier publication of students in architecture, design, and associated fields. Published since 1976, CRIT is a forum for critical discourse and the dissemination of knowledge. Your school is promoted in our AIAS College Guide spread in each issue of the journal.

AIAS Website

Connect with our members on our website where students come to engage with AIAS opportunities, career services, and resources. As a Collegiate Associate member, your logo and link to your university and programs will be highlighted on the website. There are also opportunities to have ads in our weekly newsletters.

AIAS Chapter Dues Waived

Chapter Dues are the \$275 annual payment paid by the chapter as a whole and are due by November 1st each year. As a Collegiate Associate, the chapter at your institution has these annual dues waived.

Cost and Renewal

The cost to be a collegiate associate is \$1,500. Every year you renew, the cost is \$1,000 for the year.

COLLEGIATE ASSOCIATES

HOW TO BECOME A COLLEGIATE ASSOCIATE?

You can pay your Collegiate Associate membership by one of three ways. First via PayPal on this page, reach out to mailbox@aias.org for an invoice, or by writing a check. Please make payable to AIAS and mail to:

The American Institute of Architecture Students

1012 14th St NW

Suite 415

Washington, DC 20005

Please send the following promotional materials to mailbox@aias.org:

- School logo
- Promotional text (35-40 words max)
- Website URL
- School Profile for CRIT Journal College Guide

Questions?
